## Available PA & Monitoring

### FOH

#### Mixing Desk:

Midas M32

#### Head Amps:

Midas DL32

#### Input & Speaker Controlling:

XILICA XD-8080

**All audio equipment is powered through a separate power circuit, isolated from any dimmers and other non-audio-related devices.**

### Main PA

#### Sub:

K&F SW115 (6x)

#### Power & SPL:

2x 3kW @ 2 Ohm - 133 dB  
(SPL Peak / 1m / Halbraum)

#### Mid/Top:

K&F Line 212 6 (2x)

#### Power & SPL:

2x 1.9kW @ 8 Ohm - 137 dB  
(SPL Peak / 1m / Freifeld)

#### Amping & Processing:

Lab Gruppen PLM 12k44

### Delay Line (Bar Area)

#### Sub:

K&F NOMOS II (2x)

#### Power & SPL:

2x 750W @ 8 Ohm - 136 dB  
(SPL Peak / 1m / Halbraum)

#### Mid/Top:

K&F CA 1001 (2x)

#### Power & SPL:

2x 600W @ 4 Ohm - 124 dB  
(SPL Peak / 1m)

#### Amping & Processing:

LAB Gruppen PLM 5k44

### Monitoring

#### Wedges:

1x K&F 1515

5x K&F 1215

2x K&F 1201

#### Processing:

K&F CD44 192

#### Amping:

Yamaha XP7000 (3x à 2 Outputs)

QSC PLX 3602 (1x à 2 Outputs)

## Tie Lines & CAT

We provide no less than 8 permanently installed Cat7-Lines from FOH to stage.

We also supply all the cabling needed to connect your equipment to this installation.

If you insist on a continuous cable from your mixing desk to your stagebox, please bring your own.

We are happy to assist you installing. Thank you!

Access to PA is possible either from stage or FOH, analog or AES/EBU.

Access to the monitor system is possible on stage only!

Additionally we provide 6 AES/EBU or analog compatible XLR Tie Lines from stage to FOH or vice versa.

## Noise Exposure

We are legally obliged to not exceed the average sound level  $L_{Aeq1h}$  of 100 dB(A) and must not exceed the maximum value of 125 dB(A) at any time.

The maximum permissible sound level is determined by the average sound level  $L_{Aeq1h}$ .

## Available Audio Equipment

### Available Microphones

- 6x Shure SM58
- 4x Shure SM57
- 1x Shure BETA58
- 1x Shure BETA57
- 2x Shure BETA91
- 1x Shure BETA52
- 2x Shure BETA56A
- 1x SE Electronics V7
- 4x Sennheiser E906
- 4x Sennheiser E904
- 1x Sennheiser MD421
- 1x AKG D12
- 1x AKG C451
- 1x ElectroVoice PL10
- 2x Rode NT5 MP
- 2x Suter C-3

### Available DIs

- 3x Palmer Activ DI
- 2x Radial Passive DI
- 5x ProCo Passive DI
- 2x Radial Stage Bug DI
- 1x TubeWorks Tube DI

### Available DJ Equipment

- 4x Technics MK2
- 2x Pioneer CDJ 3000
- 2x Pioneer CDJ 2000 NXS2
- 1x Pioneer DJM 900 Nexus
- 1x Pioneer DJM 800

## Additional Audio Equipment

We have a wide assortment of micstands and cables.

## Something missing?

If you require something that is not listed here, don't hesitate to contact us!
